

Study Guide for Bible Test One

Students must be able to write from memory their Bible verse for this week and reference.

Genesis 1:27-28

So God created man in his own image, in the image of God he created him; male and female he created them. And God blessed them. And God said to them, "Be fruitful and multiply and fill the earth and subdue it, and have dominion over the fish of the sea and over the birds of the heavens and over every living thing that moves on earth."

They will also need to know the following vocabulary for this week's test.

Inspiration – the supernatural influence of the Holy Spirit on the writers of the Bible so that they wrote exactly what God wanted written.

Creation Mandate – mankind's responsibility and blessing as God's image-bearers to fill the earth and to rule under God's greater rule by creating and cultivating.

Dominion – authority; control; rule

Foreshadow – to provide clues, or hints, without giving away a story's ending to prepare the reader for what will happen later in the story.

Atonement – reconciling a relationship; a covering-over of sin

Covenant – an agreement between two or more people with certain requirements and promises.
